EDUCATION

Sri Padmavati Women's Degree & P.G College, Tirupati, India 2023 – Present

- B.Sc. Computer Science | **GPA:** 8.5/10

TECHNICAL SKILLS

Programming Languages:	Java, Python
Data Analytic Tools:	Excel, MySQL, Power BI, Tableau
Web Technologies and Frameworks:	HTML5, CSS3, JavaScript, Bootstrap
Methodologies:	SDLC
Developer Tools:	VS Code, Git/GitHub
Soft Skills:	Problem-solving, Communication Skills.

EXPERIENCE

Spark Info Solutions Jan 2026 – Present

Python Full Stack Developer Intern

- **Full Stack Development:** Developed responsive web applications using Python, Django/Flask, HTML, CSS, JavaScript, and REST APIs for dynamic functionality.
- **Backend, Integration & Deployment:** Implemented authentication, optimized MySQL/PostgreSQL queries, integrated third-party APIs, used **G**it/GitHub, and supported deployment on AWS/Heroku/Linux.

NIIT Foundation May – July 2025

Web Technologies Intern

- **Frontend Development:** Built responsive and cross-browser compatible web pages using HTML, CSS, JavaScript, and Bootstrap.
- **Interactivity & Optimization:** Implemented form validation, DOM-based features, improved page performance, debugged issues, and managed code with Git/GitHub.

Projects

Big Data Analysis Using PySpark GitHub

- Analyzed a 1M+ record sales dataset using PySpark DataFrames, performing distributed transformations and aggregations to identify top products and country-wise order trends, demonstrating scalable big data processing.
- Tech Stack: Python, PySpark, Apache Spark, Spark DataFrames, Jupyter Notebook, Findspark, Pandas

Air Quality Analysis Power BI Dashboard GitHub

- Developed an interactive Power BI dashboard to analyze multi-city air quality trends, enabling KPI tracking, pollutant comparison, and time-series insights for data-driven environmental monitoring.
- Tech Stack: Power BI, Power Query, DAX, Data Modeling, Excel/CSV (data source)

AI-Based Face Recognition Attendance System GitHub

- Built an AI-powered attendance system using real-time face recognition to automate student presence tracking, reduce manual effort, and generate timestamped attendance records with high accuracy.
- Tech Stack: Python 3.9, OpenCV, Face Recognition, NumPy, Pandas, CSV/SQLite (storage).

ACHIEVEMENTS

National Merit Scholarship – Class XII Academic Excellence

- Awarded scholarship by the Central Government for outstanding academic performance in Class XII, received throughout the duration of the undergraduate degree program (INR 36 Thousand in total).
